DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest a plasticating screw having the recited feed section, barrier melting section, metering section, and reorientation sections along the screw with the screw including a main flight, discontinuous barrier flight, and secondary flight in the claimed configuration.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
